## 1. CUSTOMER PLACES THEIR FOOD ORDER

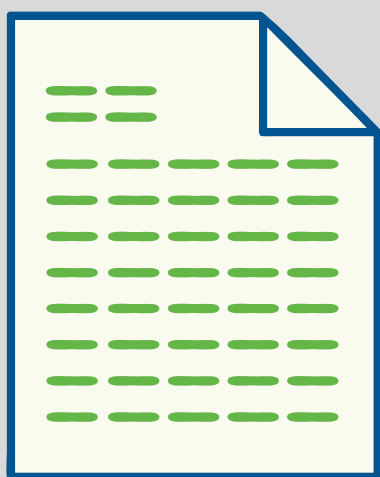

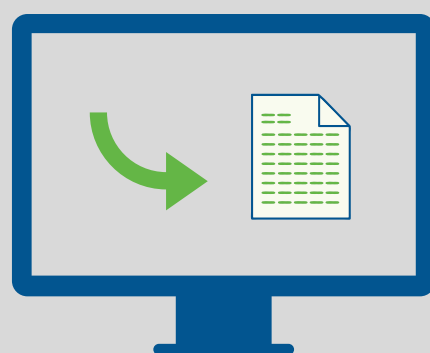

**Customers can order via mobile, website or kiosk.**

Customers can browse your menu, place order and pay all in one place. Increase order numbers and lower operation costs with custom branded apps, websites and kiosks.

## 2. ORDER IS SENT TO POS

**Our platform fully integrates with your POS.**

Once the order is placed, it is sent to the POS as a closed check with the customer's name and order information. No manual work or extra devices are needed.

## 3. ORDER PRINTS IN KITCHEN

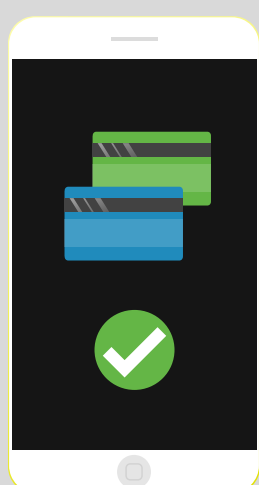

**Orders print with the necessary lead time.**

No matter what time the order is placed, it will only print in the kitchen with the necessary lead time for pick-up.

## 4. FOOD IS PREPARED AND READY FOR PICK UP.

**Delicious.**

Orders are prepared according to customer preferences. Create a loyal customer base by adding loyalty and offers programs with our trusted partners. Happy customers and repeat business.

## 5. ORDER IS PAID FOR VIA MOBILE

**Easy payment integration.**

The customer's payment is deposited directly into your account. We partner with the largest merchant providers in North America to integrate seamless payment transactions.
